1. Fill in the blank: Computer _____ refers to the process of giving instructions to a computer to perform an action or set of actions. 1 / 1 point

- ☐ analyzing
- ☐ science
- ☐ visualizing
- ☒ programming

✓ Correct
Computer programming refers to the process of giving instructions to a computer to perform an action or set of actions.

2. In Python, what is a library? 1 / 1 point

- ☐ A sequence of data visualizations
- ☒ A reusable collection of code
- ☐ A chain of transistors
- ☐ The words and symbols used to write instructions for computers to follow

✓ Correct
In Python, a library is a reusable collection of code.

3. Python is a low-level programming language. 1 / 1 point

- ☐ True
- ☒ False

✓ Correct
Python is a high-level programming language. Low-level programming languages are difficult to use, require lots of training, and often only work on specific machines.
